The Burren

'Burren' is derived from the Irish word boireann meaning 'place of stone', and the name could not be more apt. There is no part of Ireland where rock so obviously dominates the landscape as it does in this corner of County Clare.

The Burren covers an area of some 260 square kilometres. Famous for its bare limestone pavements dissected by deep crevices and traversed by countless stone walls. Almost devoid of trees and surface water, it has been described as 'lunar' in its appearance. An ancient limestone plateau lies beneath which is a labyrinth of pot-holes, caves, streams and lakes. This unusual and apparently hostile environment is a botanist's paradise as around $\frac{3}{4}$ of Ireland's plant species are found here. This is more than any other region.

Ireland Walk Hike Bike

For 25 years Ireland Walk Hike Bike (IWHB) has been welcoming guests to Ireland. The realisation of a dream for company founder Linda Woods who sought to show people the “real Ireland” rather than the traditional tourism template! These ideals continue today, showing you Ireland the way we believe it should be seen: slowly, intimately and knowledgeably. Our terrific office personnel and great guides all share the same philosophy – “to take people into those hidden parts of Ireland that few know about and give people a real “taste and flavour” of Ireland the way we know and love it”.

With today’s fast pace of life & the lack of “downtime”, we at IWHB take great pride in the trust our guests show in us to create great experiences for you. All of us in IWHB are committed to ensuring our fascination for Ireland, its’ history, culture, diversity & humour, is part of your holiday. Ireland enjoys a relaxing pace of life; beautiful and varied scenery, with the sea never far from sight & a great selection of music at night. While in Ireland, we ask you to PLEASE take your time as you discover small sections of Ireland, for if you rush, the charm of the country and the people will pass you by. The best made plans will always change in Ireland, and your adaptability to enjoy chance encounters with friendly locals, incredible characters and the odd charismatic sheep is what will make your holiday a truly memorable experience!!

Testimonials

Mathilda, Netherlands, 2022

The people of Ireland Walk Hike Bike were extremely helpful - as much before the trip (re-arranging the schedule because of corona) as during the trip. They literally catered to all our needs. The information we got was very complete, we stayed in nice B&B's and we could always contact Francis if we had a question or a problem. I highly recommend Ireland Walk Hike Bike to anyone who wants to go to Ireland.

David, USA, 2022

We just returned from our guided tour of the Burren, Aran islands and Connemara and it was truly a wonderful experience! The communication and help from Niamh was fantastic, and our guide, Joe O'Donnell was outstanding! Very knowledgeable, and just a good person that we were lucky to get to know. All of the accommodations were also great. This was a two year wait for us due to Covid cancellations and restrictions and everyone at Ireland Walk Hike and Bike were great to work with. Highly recommend using their services if you wish for the best.

Dale, USA, 2022

My wife and I worked exclusively with the team at IrelandWalkHikeBike to arrange a 3-week private tour of Ireland's West Coast this past May, 2022. We actually had to defer the trip twice due to Covid issues and this outfit was amazingly proactive and accommodating through all of the delays. My wife and I had just turned 70 at the outset of the trip and so we wanted to include all of the transportation as I did not want to undertake driving on the "other" side of the road. In addition to all the transfers IWHB arranged all or of our hotels, ferry tickets, and e-bike rentals and provided detailed maps and instructions for all of the hikes and bike circuits. Our trip played out seamlessly, with no glitches or problems and the hotel arrangements were terrific throughout. We visited four islands and each one was a unique adventure. The hikes in Connemara were beautiful and the biking around the Dingle peninsula, Clifden and Westport fantastic. Our drivers were super friendly and knowledgeable. Considering all of this, we thought the cost of the trip was eminently reasonable. Highly recommended!

Russ, UK, 2021

My wife, daughter, her partner and myself have recently returned home after a 7-day self-guided walk of the Dingle Way organised by Ireland Walk Hike and Bike. It was the most fabulous holiday being everything we expected and so much more.

The walking itself was the heart of the holiday. Every day was different. On a daily basis the scenery memorable. Fortunately, we have hundreds of photos to remind ourselves.

We have resolved to go back the west coast of Ireland and already Dean has made a couple of suggestions. Whatever walk we chose to do, it will be organised by Ireland Walk Hike and Bike.
